Undertaking End-Point Assessment

Highfield Level 3 Award in Undertaking End-Point Assessment (RQF)

The objective of this qualification is to support a role in the workplace as it will provide specific knowledge and skills for those who plan to undertake end-point assessment processes and practices. It is designed to support those who have sector competence within the areas of approved apprenticeship standards and who would like to gain a more specialised understanding of end-point assessments processes and practices.

This qualification has been designed to cover assessment methods that are used in the majority of assessment plans for approved apprenticeship standards. This includes knowledge tests, professional discussions, practical observations and work projects.

How long will it take me to achieve this qualification?

The total qualification time for this qualification is 60 hours and of this 24 hours are recommended as guided learning hours.

TQT is an estimate of the total number of hours it would take an average learner to achieve and demonstrate the necessary level of attainment to be awarded with a qualification, both under direct supervision (forming guided learning hours) and without supervision (all other time). TQT and GLH values are advisory and assigned to a qualification as guidance.

How is the qualification assessed?
